

I BAND DAY

“FIRST CHAIR” DESIGN CONTEST & FUNDRAISING AUCTION

Do you love Band Day? Want to use your creative talents to help support Band Day?

This year, we are looking for 10 organizations, individuals or companies to sponsor a “First Chair.” For our kick-off year of this fundraising program, the “First Chair” project will be a two person bench designed and built by the Williston High School woodworking classes. Sponsors pay \$50 for a handcrafted bench, which they will then finish and decorate as they wish, or they can provide/build their own bench to better reflect their organization.

Benches will be auctioned off during Band Day on May 13, in Harmon Park. Sponsors may pick up their bench by March 13, and must return their finished bench to the Williston CVB no later than April 28th. Pick a theme you love! Benches will be displayed for two weeks in the community prior to Band Day, and at the Band Day Prelude supper on May 12!

Contact Jeremy Wright or Amy Krueger for more information at 701-774-9041 or cvb@ci.williston.nd.us
