**FREQUENTLY ASKED QUESTIONS**

**How is qualification for registration determined?**

Vendors who sell products or services that enable direct participation in sports or recreation activities – such as hunting, fishing, camping, hiking, canoeing, kayaking, cycling, golfing, baseball, hockey, etc. – qualify for early registration (Nov 1 - Dec 12, 2025).

If your product or service enhances the experience of these activities (or can be used alongside them, but isn't essential for participation), or if your offerings are unrelated to sports or recreation, you qualify for standard registration (Dec 15–Feb 13, 2026).

**What hours must vendor exhibits be open?**

Vendors must remain open for the full duration of the show:
